Installation Methods

Broadloom

Patterned carpet may require special attention by the installer to assure a suitable match and must be addressed in the original labor quotation. Products that go through the shearing process may result in a small loss of yarn weight. Slight variations in color among different production lots are normal and should be considered in the overall installation plan. Carpet specifications and components are subject to normal manufacturing tolerances and may change without notice. Product warranted in accordance with the terms and conditions of Bentley's Wool Broadloom standard printed warranty in effect at the time product is sold.
