

A close-up, dark-toned photograph of a hand holding a brush, applying material to a textured surface, likely a rug. The brush has a dark handle and a wide, flat head. The background is a complex, textured pattern of light and dark tones, suggesting a rug or fabric. The overall mood is artistic and focused on craftsmanship.

Wonder & Design

Step into the world of **endless possibilities** with Prima Vista's debut pattern collection.

Artfully crafted from **100% New Zealand Wool**, each construction is hand tufted, hand loomed, or hand knotted and available in selected colors or customizable with First Look digital design tool on **primavista.bentleymills.com**.

First Look is an easy rendering tool for visualizing how color can alter any pattern. With **300 curated poms** to choose from, First Look allows you to select and replace colors in a chosen pattern, then save it to your favorites. Custom patterns can also be created with our in-house design team. Just ask your Account Executive.

Take things one step further by dropping your rug design into virtual room settings or **upload your own photo** or rendering to perfectly reflect your unique interior design.

A formal rendering for approval is delivered to you **in as little as 3 days** and actual samples can be ready in 4 weeks.

Prima Vista™ hand tufted and hand loomed finished rugs in standard dimensions are delivered in 8-10 weeks. Hand knotted rugs deliver in 12-14 weeks. Custom sizes, shapes, and corner details are available on all patterns.
