HANDMADE RUG COLLECTION

BENTLEY

PRIMA VISTA

primavista.bentleymills.com

Fade Away, Patina, Vintage, Side Stack from Prima Vista™—textures, subtle gradients, and tonal lines that anchor a space in **handcrafted luxury**.

Artfully created with **100% New Zealand Wool**, each Prima Vista construction is hand tufted, hand loomed or hand knotted, and presented in a range of colors created for your consideration—select one or be inspired to create your own.

NOTE: You won't find Fade Away, Patina, Vintage or Side Stack patterns on First Look, the Prima Vista online rendering tool, because these **textures and ombres** are so nuanced, digital rendering does not do them justice. Contact your Account Executive for more information or **primavista@bentleymills.com**.

Prima Vista hand tufted and hand loomed finished rugs in standard dimensions are delivered in 8-10 weeks. Hand knotted rugs deliver in 12-14 weeks. Custom sizes, shapes, and corner details are available on all patterns.
